Città di divina architettura e storia leggendaria.
Venezia è l'incarnazione dello spirito romantico.

Affacciato sul Canal Grande, tra la Ca' D'Oro e il Ponte di Rialto, il Palazzo del XV secolo è stato riconosciuto Monumento Nazionale e conserva ancora intatta, dopo 5 secoli di storia, la bellezza di una antica dimora patrizia di cui le 42 camere ne sono la testimonianza. La Terrazza del Ristorante l'Alcova, affacciata sul Canal Grande, è la quintessenza degli scenari veneziani.

I Menù dello Chef si ispirano al Mercato di Rialto: prodotti freschi di terra e mare vengono preparati con creatività e talento. Questa particolare visione si traduce in uno stile caratterizzato da un forte concetto di "Ritorno alla Natura", espressione al tempo stesso di una riscoperta dei sapori classici e di una raffinata e costante ricerca contemporanea; una "Filosofia del Gusto" che dà nuova freschezza e colore alla cucina veneziana.

A city of divine architecture and legendary history.
Venice is a celebration of the romantic spirit.

Leaning majestically on the banks of the Canal Grande, between Ca' D'Oro and the Rialto Bridge, the 15th century Palace has been declared a National Monument and still preserves the untouched beauty of an ancient noble Residence in its 42 rooms.

L'Alcova Restaurant with its splendid panoramic terrace on water front, gives the possibility to taste typical venetian cuisine served with a selection of Italian wines. The magical location has inspired our Chef approach: local delicacies are enhanced in his menus through the daily attentive personal selection from the Rialto Market: a "Natural Flavours Philosophy" providing a fresh twist on the authentic Venetian cuisine. His vision can be savored on his refined plates, characterized by rich tastes and great personality.
